England kick off their 2021 campaign at home against the old enemy Scotland. After England squandered a 31 point lead at Twickenham in an dramatic 2019 Calcutta Cup they eventually rescued an incredible 38-38 draw. England's schedule presents another early home match as they welcome Italy to Twickenham Stadium the following week. They host their third home fixture of the Championship against the French - There's always an extra edge when Les Bleus come to town. England put in arguably their best performance in 2019 when they ran out 44-8 winners against France in Le Crunch.
